

Tankless RV Water Heater

Take the comfort of home on the road with a Girard RV tankless water heater. Our RV water heater handles the demands of running hot water in all faucets, maintaining water pressure and consistent temperatures.

KEEP THE WATER FLOWING

Powerful Performance

At 42,000 BTUs, this continuous hot water heater provides optimal performance for RV plumbing. The quiet, brushless motor runs on 12V power that operates at less than three amps for a nearly noiseless operation.

Easy Installation

With the lightweight and compact design, the Girard hot water heater fits in any tank water heater cut-out opening and weighs 23 lbs. Additionally, there is no need for bypass plumbing, no tank to drain and no anode rods to change.

Highly Efficient

The Girard RV tankless water heater consumes half the LP gas that a six-gallon tank water heater would consume for the same amount of hot water.

The onboard microprocessor monitors incoming cold water temperature, flow rate and outgoing hot water temperature to maintain a steady water flow. It also regulates the burner to maintain a consistent temperature, preventing cold spots and scalding water.

Additional Features

- 42,000 BTUs provide optimal performance for RV plumbing
- 12V power that operates at less than 3 amps
- Equipped with quiet, brushless motor
- Onboard microprocessor monitors inlet water flow, inlet and outlet temperature
- Microprocessor regulates the burner to maintain set hot water temperature
- Comes with a digital user control panel
- Freeze protection enables reliable winter use
- No LP gas lines or special plumbing required
- Compact design fits in any tank water heater cut-out opening

Part #	Description
GSWH-2	Girard TANKLESS WATER HEATER
2GWHAS10	White REPLACES 10-12 GALLON SUBURBAN AND ATWOOD, Door/Flange Assembly
2GWHAS10B	Black REPLACES 10-12 GALLON SUBURBAN AND ATWOOD, Door/Flange Assembly
2GWHDA6	White REPLACES 6 GALLON ATWOOD, Door/Flange Assembly
2GWHDA6B	Black REPLACES 6 GALLON ATWOOD, Door/Flange Assembly
2GWHD	White REPLACES 6 GALLON SUBURBAN, Door/Flange Assembly
2GWHDB	Black REPLACES 6 GALLON SUBURBAN, Door/Flange Assembly
2GWHDTR-B	Black DOOR TRIM RINGS FOR 2GWHD & 2GWHDB DOOR KITS
2GWHDTR-W	White DOOR TRIM RINGS FOR 2GWHD & 2GWHDB DOOR KITS
